# MP Israel Node: Current/potential activities

The Millennium Project

- AI and Governance (& transition from ANI to AGI): initial discussions with Jerry. Would be happy to cooperate with other nodes on this topic.
- Initial discussions with the Dubai node on potential cooperation (possibly on AI & Governance).
- Research, Teaching & Consulting at the Institute for Futures in Education (established in the Israel Ministry of Education). MP Work/Tech 2050 presented and included in the course kit/website.
- Hebrew article on Work/Tech 2050 Scenarios
- Hebrew concise version of the MP Covid scenarios
- Sending invitations & encouraging participation in the recent MP RTD “Resetting Major Trends”
- **Looking forward to further cooperation with other Nodes!**
