Node Relations

What is expected of the Node Chairs/Members?

- Respond to RTD requests and find relevant experts
- Seek publication/translation for AGI reports, Work/Tech 2050 & other MP products
- Initiate projects that incorporate other Nodes
- Something we have not thought about yet.

What should Nodes expect to receive?

- Intersection of Node's national futures with global futures research
- International peer collaboration with other Nodes
- Access to MP research and methods
- Sales income from MP products in Node's countries
- Prestige of association with a unique international think tank
