## 4CF PnyX

Powerful app for collective intelligence in workshops. The app can support analyses and brainstorming sessions on a wide range of topics. It is versatile, flexible, simple, visually appealing and user-friendly.

**A completely new version will be available  
in early 2024!**

## 4CF HalnyX

Make strategic decisions based on thoroughly verified recommendations. Obtain a consensus fast, in real-time. Exchange opinions and conduct discussions in a structured manner.

**After 9 years of functioning, our platform  
is scheduled for a major overhaul in 2024,  
your requests for features are more than welcome!**

## 4CF FLEx

Learn to obtain valuable insights. Understand future social and technological phenomena. Be able to foresee unexpected changes that will affect your life and business in the future.

**Scenarios + Gamebooks  
=  
Futures Literacy Experience like no other!**

## 4CF Stranger Futures

Strategy board game that helps you identify groundbreaking changes in the near and more distant future.

**You can print and use our 4CF Stranger Futures®  
board game free of charge in  
non-commercial projects!**
