GLOBAL FUTURES SOCIETY

The Largest Global Collective of Futurists

Based at the Museum of the Future, the 'Global Future Society'

OBJECTIVES

↗ Enabling global foresight networks to collaborate, share expertise, and foster a global perspective.

↗ Establishing new partnerships that make the Museum of the Future an incubator for global foresight institutions and experts.

↗ Becoming the premier platform for engaging, consulting, and co-creating with futurists and foresight institutions.

↗ Establishing an open forum for international foresight dialogue and a home for futurists from across the globe.

ENTITIES ENGAGED

Futurist associations

Foresight and scenario planning

departments at the academic institutions

Foresight departments

at governments and international organisations

Foresight departments

at Private sector

MAIN PILLARS

International partnerships to **boost research** aligned with Dubai Future Foundation's mandate

Helping GFS members approach a wider audience through their **effective trainings and courses**
