The Millennium Project

1 A GLOBAL NETWORK FOR THINKING ABOUT THE FUTURE

The Millennium Project · Global Foresight Think Tank

70+

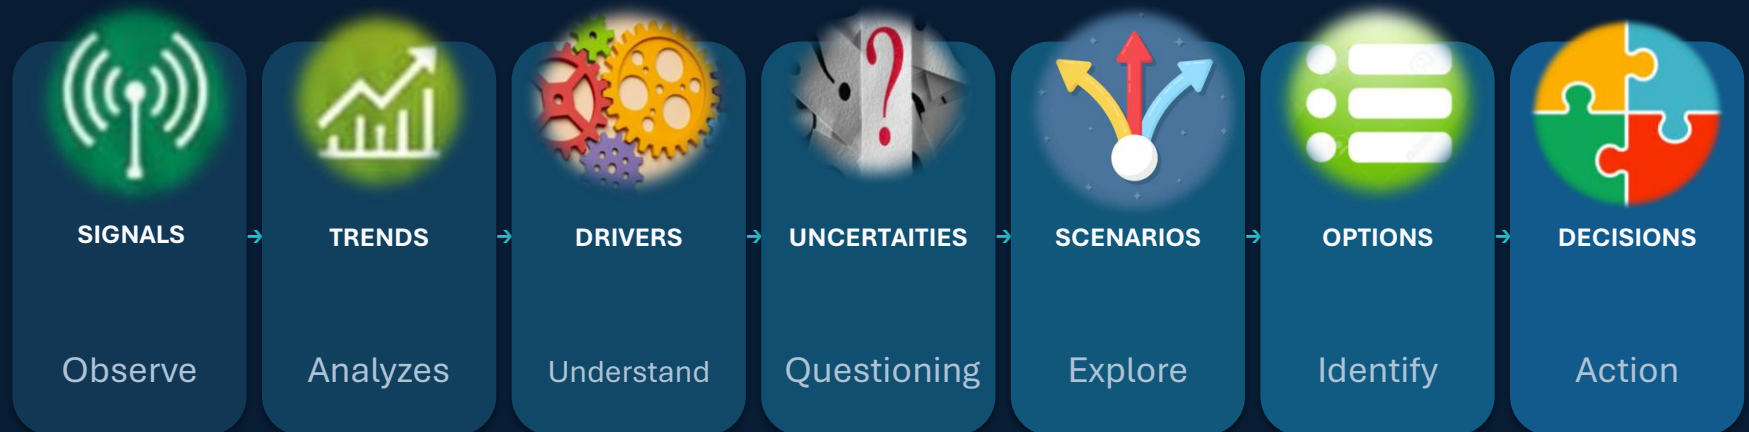

NODES AROUND
THE WORLD

A network that
connects
knowledge, experts,
and institutions.

*Improving humanity's prospects for
building a better future*

Mission:

Enhance reflection on the future and share it through various channels to gather feedback, with the aim of accumulating wisdom regarding what lies ahead and making better decisions today.

2 MEXICAN NODE

Over two decades of building capacity to think about the future.

3 QUERETARO NODE

MORE THAN A NEW NODE

It is a new capability for the State:

1

ANTICIPATE

Observe and understand
the change

2

CONNECT

Linking global knowledge
with local challenges

3

BUILD

Transforming possible futures
into shared decisions

GOVERNMENT + ACADEMIA + BUSINESS + SOCIETY + GLOBAL NETWORK

**Querétaro doesn't have to
wait for the future to arrive**

Querétaro can start building it.
